Background

The Float your Boat has become a very popular annual event for the community. These public lighting displays for the flotilla and foreshore engages the community and local boaties to participate in celebrating our lake, through a fun participatory experience. Lake Macquarie City Council recognises the benefits of artworks integrated into the community and their ability to create a sense of place, identity, and engagement.

Project Scope

The final concept design is to be completed by June 13, 2024. The fabrication of the design into a lighting display will be completed the week in the lead up to the event before Friday June 21.

This commission is intended for artists located in the Hunter Region.

Key Information

1. Completion/installation before Friday 21 June 2024
2. Budget: The budget for each project as detailed above covers all the artists' cost, which includes but is not limited to artist fee, materials, contractors, etc. No further funds will be allocated for the creation of the artwork.
3. Council will support with: Installation expenses, marketing, safety materials as negotiated in the contract.
4. Contractual Agreement: If successful, full terms and conditions will be outlined within a contractual agreement between the artist and Lake Macquarie City Council. This expression of interest has no legal bearing.
5. Materials: Materials used must be suitable for an outdoor public environment, durable and non-toxic.

Selection Principles

The Lake Macquarie City Council's Urban and Public Art Policy identifies the following objectives:

- articulate a sense of place or community identity.
- encourage a stronger sense of community belonging, and community ownership of public space
- integrate public art into the infrastructure and natural environments of the City in order to enhance public spaces;
- ensure proposals are suitable and sustainable/ robust; and
- foster local and emerging artists in the Lake Macquarie community.

Selection Process

A selection panel will evaluate submissions with consideration to (but not be limited to) the following key selection criteria:

- originality of the concept;
- relevance to proposed location and audience;
- quality of visual representation;
- ability to articulate a sense of place and community identity;
- how the design will enhance the flotilla on the lake
- ability to complete the commission within budget, timeframe and complexity of installation.
